SKINCARE / MUA STAGE: SCHEDULE

1:00-1:30PM 'THE FASTEST WAY TO REMOVE BLACKHEADS'

ESTHER, CO-FOUNDER ZWINAA BEAUTY

The Blackhead vacuum remover is a fantastic innovation to solving skin issues and concerns, and the reviews have been really positive worldwide. Esther will be leading a workshop showing us how this tool in their product line helps to keep the skin looking and feeling great

2:00-2:30PM 'PIGMENT OVERLOAD '

VANESSA, FOUNDER OF V.LACE COSMETICS

After Vanessa lips had darkened because of daily wearing of lipsticks which had high levels of lead in them. She later found that some of the leading brands on the market use high consistencies of lead which often causes dark circles or hyper-pigmentation. V.Lace was born showcasing the phenomenal vivid colours bringing to life bold intense colours on every skin tone.

3:00-3:30PM 'TEN TOP TIPS TO GREAT SKIN'

LORI BEE , FOUNDER, LORI BEE MUA

A session covering ten key factors that can promote a healthy complexion, through lifestyle, mindset and nutrition.

3:30-4:00PM 'WHAT GOES INTO MY DAY CREAM'

MS TUMI, THE BEAUTY CHEMIST

An educational talk, on the formulation, ingredients and components of a cream, and a live demo of making a cream!

5:00-6:00PM MAKEUP SANITATION AND PRESENTATION - THE COMMON MISTAKES WE MAKE"

ISANG OBOT, FOUNDER, DIVINE HOUSE OF MAKEUP BY ISANG

If you are regularly wearing makeup it is important to keep your tools clean to avoid your skin breaking out in spots and other skin infections. In this workshop you will be shown best practice for sanitation and cleanliness of brushes and other makeup tools.
